

MONTANA AGRICULTURAL BUSINESS ASSOCIATION SUSTAINING MEMBERSHIP APPLICATION

MABA Sustaining Membership is an opportunity for suppliers to display your company name and logo before agricultural retailers and applicators across Montana. It also is an important way to let the retailers and applicators

know you support the industry in Montana. The minimum for a sustaining membership is \$500, but several companies including Monsanto, Syngenta, Bayer, and Western Plant Health Association choose to support as a Corporate Sustaining Member which is a membership of \$5000 minimum. With the Corporate Sustaining Membership and Sustaining Membership, a company receives:

1. A 2" x 2" square in each of our newsletters with your name and logo. This is especially beneficial for companies who do not have representatives traveling the state on a frequent basis. You may list company reps, phone numbers, web site, etc.
2. A 4' x 8' banner in the Trade Show during the annual convention conducted in January each year. Banners have company name and logo.
3. A link from our web site to yours and your name on our web site as a sustaining member.
4. Up to three individuals from your company as members with listing in our directory and included on the MABA mailing list for newsletters and convention registration.

Corporate Sustaining Members receive in addition to above:

1. Logo and link to company website on front page of MABA website.
2. Logo and link to company website on all e-newsletters.

We hope you will take advantage of this marketing opportunity for your company!
